Author's VERY BRIEF Summary of Proposed Action:

To help racers prepare for the starting procedure in championship races and to keep clubs from changing in the middle of the season. This could be put in as 25.3.1

Affected Rule:

None _ new rule

Proposed rule:

25.3.1 All championship events must state in their bid to the IRC if they are going to use a flag start at their event. If not stated in their bid, the race site must use a clock starting procedure.

Reason for change:

There was a flag start used at a championship event this year. We had not used a flag start all year in that region. Drawing for lanes at a championship event takes away from the way we race all year.
